FEATURE FILMS

"Happy Feet 2" - Animated feature film at Dr. D Studios. Technical support for lighting department - including optimizing and troubleshooting lighting scenes, debugging and maintaining the pipeline. Shot lighting and compositing as well.

"Captain America: The First Avenger" - Visual effects at Framestore. Lighting of CG head and neck for character of Red Skull, to match live action plates. CG was then composited into plates to replace parts of the live action character.

"Legend of the Guardians: The Owls of Ga'Hoole" - Animated feature film at Animal Logic. Shot lighting and compositing.

SKILLS

Software: 3D - Maya (with Mental Ray and RenderMan), ZBrush, Houdini (with 3Delight)
Node Based Compositing - Nuke, Shake
2D - Photoshop, After Effects, InDesign, Premiere, Final Cut Pro, Motion
Software Development - Microsoft Visual Studio, Apple Xcode, Adobe Flex

Operating Systems: Comfortable working with Windows, Mac, and Linux.

Programming/Scripting: C, C++, Python, MEL, Objective-C, ActionScript & MXML **Web Dev:** HTML, JavaScript, CGI & Perl

Traditional Art: Solid background in traditional art, including sketching, painting and sculpture.
